

Your right to a chaperone

You are entitled to request and have a chaperone present for any physical examination. Please indicate at the time of booking whether you wish to have a chaperone at your medical assessment. You may also bring a friend or relative to your medical. A chaperone is not normally offered for any examination not requiring the applicant to undress. If a chaperone cannot be arranged, your appointment will be rescheduled to a time when one is available. Please mention any specific wishes or preferences to the doctor.
